### Profile Summary

I'm a Computer Science student at the Catholic University of Eastern Africa with a strong interest in cybersecurity and software development. I enjoy the challenge of turning complex problems into simple, secure, and user-friendly solutions. Whether I'm analyzing data, coding, learning something new, or collaborating on a project, I bring curiosity, creativity, and a strong commitment to quality. I'm excited about using technology and data to solve real-world problems and make a meaningful impact.
